

# SPIFF UP FOR THE HOLIDAYS

Get your kitchen and bath ready for fall and winter entertaining with these stylish fixes.

**1** Add a rug for both color and comfort.

**2** Bring life to cabinetry and walls with fresh paint.

**3** Decorate a wall in your bath with fun flowers.

**4** Replace an old faucet with a more current style.

**5** Personalize walls and countertops.

**7** Make a handy perch in your bath with a vintage stool.

**6** Trade an old island pendant for a hip look.

**8** Pack a punch with new hardware.

Get ready for company by **CLEARING CLUTTER** off the counters and setting up a **BEVERAGE STATION.**
